Baptism Milestone Training

Wednesday, May 12 | 6:30pm

What does it mean to be saved? And why do I need to be saved? What is baptism? If your child is asking some of these questions, then this is the right time for YOU to join this class for parents.

This class is an important part of KidNation's Discipleship Milestones and discusses our biblical understanding of salvation and baptism, and provides tools and resources to help you begin a great conversation with your child about these important topics.
