Unique Opportunities in May

Discipleship Workshop Night

Wednesday, May 5 | 6:30pm

Looking for a little bit of practical, gospel-centered help in life? We're here to help. We think that the Gospel is not only something to know but something to do and model for those in your life. So we are offering a handful of workshops based on different life stages and topics that we hope you'll find helpful in your everyday.

The Boaz Experience

Wednesday, May 12 | 6:30pm | Worship Center

Join us for the opportunity to learn about the Boaz Project and what they are doing for orphans all around the world. This will be a fun and extremely informative evening where you can not only see how God is working through the Boaz Project but learn how you can be a part of making a difference! The Encounter will start at 6:30 and we will serve dinner at 5:45 in the cafe. Both kids and student programming will be provided. Please sign up at ccgonline.org/events!

Brazilian Food Basket Experience

Wednesday, May 19 | Experience begins at 6:30 | Worship Center

We are excited to bring you and your whole family together with our Impact partner Rachel Ferguson as she presents a hands-on, family-friendly evening where we can all experience different parts of the Brazilian culture. We will serve special Brazilian themed food starting at 5:45! The cost is free so come bring your family to learn about Brazil, how our partners there are sharing the gospel there, and what you can do to be a part of it! Sign up required at ccgonline.org/events.
