

**Why Church?**  
**Week 3: Because We Were Created to Worship Together**  
**Acts 2:42-46**

1. Why does gathering together for worship on a Sunday morning matter to you?
2. Read Acts 2:42-46. What was the early church devoted or attached to? What are some of the **attachments** that you bring into the worship service on a Sunday morning? Think about your background, education, preferences, experiences. Which of those attachments are the strongest for you right now? What might God be leading you to do with them?
3. Take a look at some of the **alignment** scriptures in the Bible, such as Romans 12:1-2, Psalm 119:105, and Hebrews 12:1-2. What role does hearing the teaching and preaching of the word in a worship service play in this alignment process?
4. Read 2 Timothy 3:16-17 and Colossians 3:16-17. How have you learned to **apply** the message from God's word to your week? What has been helpful? How have you struggled?
5. Which part of the Sunday worship experience is typically most meaningful for you? When do you tend to disconnect or find yourself distracted? What step might God be leading you to take in your commitment to and engagement in corporate worship?
