**Week 1: A Vision for a Life with Jesus**  
**2 Corinthians 5:14-17**

1. What is the vision of a life with Jesus that Paul describes here? To what extent are you “controlled” or “compelled” by Christ’s love?
2. What does it mean to you personally to be a “new creation”? What is the “old” that has passed away? What is “new”?
3. Which of the following describes a current challenge you’re having with spiritual transformation?
  - I am experiencing a lot good things in my life that I’d like to take credit for.
  - I am experiencing a lot of difficult things in my life, and I’m discouraged.
  - My spiritual life seems just mediocre right now.
  - I lack the motivation to pursue fully what God has for me.
  - I’m really confused right now.
  - I believe all the “right things,” but I don’t experience much of God actually working in my life.
  - Something else \_\_\_\_\_
4. What truth from God’s word gives you hope for the week? What is your next step?
