We're excited to give everyone at Community Church of Greenwood free access to RightNow Media, a library of video resources for all ages from teachers and pastors all across the country, to help you develop and grow as a disciple of Jesus. ## New Church App

We are moving to a brand new smartphone app to connect everyone better to opportunities to serve, give, and connect. Download the "Church Center" app in your app store to get started. With this new app, you'll be able to easily register for events, communicate with your small group, see your volunteering schedule, listen or watch recent sermons, manage your online giving, and check your kids in from your phone. This new "Church Center" app replaces our current app that we have used for the past few years, so download the new app today to get started!
