Week 2: Life with Christ
Colossians 3:1-11

1. Respond to each of the following “heart check” questions from last week. What do your responses reveal?
 - What is the first thing you think about in the morning? What is the last thing before you go to sleep?
 - How did you respond the last time you were squeezed?
 - How do you pray for your enemies?
 - When was the last time you sacrificed or risked something for Jesus? How did you feel?
2. Are you more likely to “try hard” and rely on your efforts or “tap out” and stay in your brokenness in your walk with Jesus? What alternative to both does Paul give us in this passage?
3. Read **Colossians 3:1-4**. What is the “logic” of Paul’s argument here? Why should we set our hearts and minds on “things above”? How clear is the “lens” of your focus? How do you know?
4. Read **Colossians 3:5-11**. What does Paul say we should “put to death”? Why should we? What on this list stands out to you? Why is this process so important? What are the consequences of failing to do so?
5. One of the most effecting “training” exercises we can do is memorize God’s word. The challenge this week is to memorize **Colossians 3:1-4**. Why is scripture memorization valuable? What has been your experience with this discipline?
