

Journey to the Cross
Two Kingdoms
John 18:28-19:5

1. What does it mean to be the “king” or “queen” of your own kingdom?
2. What does Pilate’s kingdom look like? What are some of its values and realities?
3. Read **John 8:42-47**. How is the devil described? What is the key characteristic that underlies his kingdom?
4. How would you describe Jesus’ kingdom? How is it different than Pilate’s? Read **John 14:1-14**. What are its core values?
5. Take some more time to examine your own heart and your own allegiance to Jesu’ Kingdom. What do each of the “tests” from the message reveal?
 - **“This is my chair” Test**—Where are you pursuing your territory at the expense of others?
 - **Battery Charge Test**—In what ways are you depending on your own resources and not relying on Jesus for your strength?
 - **Filter Test**—How are you filtering your own image to gain the approval of others? What lies are you failing to filter from your heart and mind?
 - **Sticker Test**—Where are you relying on the praise of others to give you direction and validation for your life?
