

Teach Us to Pray
Week 3: Daily Needs
Matthew 6:5-15

1. Do you spend more time and energy praying by yourself or with other? Why?
2. What does it mean to pray for your “daily bread”? How would you describe your level of dependence on God to give you what you need? Desperate, complacent, indifferent, something else?
3. Does asking for God to forgive you from your sins or forgiving others of their sins come easier for you? Why? How are the two connected? What warning does Jesus give?
4. Read **James 1:12-15**. Who is the author of temptation? What does it look like to pray for God to “deliver us from evil”? What are you praying for now?
5. What commitment will you make to prayer this week?
 - Start and end your day with prayer.
 - Pray aloud with someone at least once this week.
 - Pray for your church family.
