

Teach Us to Pray
Week 5: All You Need Is Love
John 17:20-26

1. Is it hard for you to believe that God wants to have a relationship with you? When have you really felt encouraged that God is for you, not against you?
2. Why is it important to pursue unity within the church? Why isn't it OK to just splinter into fellowships where everyone looks, thinks, and acts the same?
3. How do you pray for unity? For yourself? For your loved ones? How well do your prayers align with Jesus' prayer?
4. When have you seen a great example of unity in the church? What is a characteristic of someone who is pursuing unity?
5. Do you really believe that those outside the church will be impacted by the unity of those inside the church? What sort of practical impact could that have in our community?
6. What do you need to stop doing this week in the name of unity? What do you need to start doing?
