

Welcome to Community Church of Greenwood!

The best way to get connected here is to come to the Welcome Desk in the lobby and introduce yourself. We are a church family built on a strong foundation of relationships and friendships, and we want to greet you directly and introduce ourselves in person. We have a small gift waiting for you in the lobby today, too!

You can stay connected with us through ccgonline.org, our mobile app called "Church Center", and our social media channels.
