

A Better Way to the Good Life
Week 6: The Impossible Mission Made Possible
Matthew 5:38-48

1. What are some of your memories of one of the three generations of Mission:Impossible shows?

2. According to the Lord Jesus, what is the impossible mission He is calling us to at the end of Matthew chapter 5?

3. Pastor Dean said in today's passage that there are two primary reasons why this mission is impossible. What are they? How do you see yourself falling short of the Father's perfection in these two ways?

4. Share a time when you felt attacked either personally, materially, inconveniently or financially? How did it make you feel? How did you react?

5. What is the main point the Lord Jesus is wanting people - His disciples, seekers, skeptics and the religious leaders - to come to understand?

6. Pastor Dean shared 3 responses that the Lord Jesus is calling us to make the impossible mission possible:
 - Repent
 - Request
 - Respond

Which one of those three do you need to apply to your life this week? Why?
